RE: 2014 Water Use Plan

JAN 17 2014 CHWC

Dear Ben,

Enclosed is the Water Use Plan that Park City Municipal Corporation will follow for the year 2014. There have been several changes this year based on potential issues raised by Gary Brimley in his review of our 2013 plan. Tom Daley and I have subsequently researched these issues and our responses and changes made to the plan are outlined below:

- 35-11856 a28637 There remains a title dispute concerning this right and Water Right 35-8458 that dates back to 1980. Park City maintains its position that it owns at least 69 acre feet under 35-11856, and has accordingly indicated as much on its Water Use Plan. In the meantime, Park City continues to discuss possible resolutions to the title dispute and is considering engaging in a quiet title action. 35-8826 and 35-8827 827 water was moved into additional wells under a28638. 78.48 acre feet are owned by PCMC, originally under 35-11982, and 120 acre feet are owned by PCMC, originally under 35-5701. 826 was not included in a28638 and is instead approved under a16061.
- The diversion from Weber Basin Water Conservancy District, Lost Creek Canyon, has been corrected to 2900 AF.
- 55-12433 a27025a has been changed from 55-11544 to reflect the sale of rights from JSSD to Park City.
- 35-9324 a28636 has been corrected from E2178.
- 35-10820 The priority date has been verified as 1903.
 35-11855 This has been corrected from 35-8437. By letter dated August 8, 2005, the Division of Water Rights notified Park City that it had created the segregated water right 35-11855 because the owner of the balance of Award 437 sold their portion of Award 437. Award 437 had previously been included, at the request of the owner, in Park City's Change Application Number a21847. The amount of water represented by 35-11855 and 35-8437 needs to be confirmed.

Please respond in writing acknowledging that the Division has received and accepted this plan and the responses to Gary's inquiries. If you have any questions, please contact me at 435-615-5337 or kmacarthur@parkcity.org.

Sincerely,

PARK CITY MUNICIPAL CORPORATION

Kyle P. MacArthur

Water Distribution Manager
